KidTalk Therapy Services, Inc. is now accepting resumes for a full time Occupational Therapist position in South Riverside County, for the remainder of 2009/10 school year. We want to ensure a compatible and professional match, so please indicate any specific preferences and/or interests.

Note: In order to place you in consideration for an OT position, we must have a copy of your resume. We will be unable to schedule an interview with school district personnel, without documentation of your credentials and work experience.

Fax or email attention James Glenn.

**Description:**

This Occupational Therapist position is working with school-aged students from kindergarten to eighth grade, within a public school district setting. Duration is after Christmas break through end of the school year.

The OT shall perform the following duties, including, but not limited to, screenings, evaluations, Individual Education Plans (IEPs), IEP meetings, parent/teacher conferences, report writing, and treatment sessions. The OT will comply with all state and federal laws and regulations and any other applicable rules, guidelines, and/or requirements of the school(s) and/or school district(s) to which OT is assigned.

**Location:**

This position is located within a South Riverside County public school district. It is full time for the remainder of school year, with the expectation that the therapist will return next school year. We will consider a therapist just finishing out the school year, but prefer someone interested in keeping this position next year as well.

Please call anytime for more information, and thank you for taking the time to view our website.
